SCHLUMBERGERA 'ZYGO CACTUS' THOR®

Greenex proudly represents the leading Schlumbergera breeder **Thor®** by Thoruplund AS, Denmark.

With production facility in Vietnam, Greenex is able to offer cuttings in very high and uniform quality.

In recent years, the breeding of the **Thor®** varieties has been focusing on nicely branching plants with smaller leaves of which the **New Generation® Series** is a first-class result. Furthermore, **New Generation®** can be characterized by it's compact and sturdy plants with beautiful flowers.
